RIGHTS AND RESPONSIBILITIES

Rights of Students:

- To attend school in a secure academic and social climate, free of fear, violence and discrimination.
- To be informed of school rules and regulations.

Responsibilities of Students:

- To assume accountability for personal behavior.
- To attend school regularly and be on time to every class.
- To be prepared for class with the appropriate materials and work.
- To know and obey school rules and regulations at school and all school events, both at home and away.
- To respect the rights of fellow students, school personnel, and the public in general, to, from, and during school.
- To respect our environment, including our school buildings and our grounds, by using all facilities appropriately.
- To respect and obey the valid authority of school personnel.

PHILOSOPHY OF CITIZENSHIP

It is the philosophy of LTUSD that the destiny of our community, state, and nation depends upon educated, well-informed, responsible citizens in all walks of life. Our staff is committed to guide students toward these goals. In order for students to achieve their full potential, develop self-esteem and confidence, as well as interact positively with others, specific expectations have been established. As students strive to achieve the expectations of STMS and STHS, it is critical that teachers, parents, and administrators consistently hold students accountable when they make poor decisions. One key to this process is the early, significant involvement of parents/guardians when students first begin to make poor choices. As students develop a pattern of making poor choices, parents/guardians will be expected to become increasingly involved in supporting them to make good decisions.

CITIZENSHIP

South Tahoe Middle School:

Eligibility will be determined at each grading period (including progress reports). A student's ineligibility will be for a period of 6 weeks unless they successfully petition to be reinstated as a student in good standing. Any of the following will cause a student to become ineligible to participate in extracurricular activities for a designated period of time:

- Grades:
 - Grade Point Average (GPA) below 2.0
 - 2 or more "F's"
- Citizenship:
 - 2 or more OCR placements
 - 2 or more "U's" for citizenship marks
 - Unsatisfactory Citizenship Criteria:
 - Has had four or more unexcused tardies.
 - Has been suspended from class or school as a result of classroom behavior.
 - Has had four or more documented incidents of inappropriate behavior in class.
 - Has been caught cheating on more than one occasion.

Citizenship marks given by the teacher. There will be no appeal or administrative change of citizenship marks without concurrence of the teacher and the principal. Extracurricular activities are not graded, do not offer credit, and do not take place during classroom time. These include, but are not limited to: sports, dances, and non-academic field trips and activities.

- Petition for Eligibility: Two weeks after grades are released to students, any middle school student has three (3) school days to petition the principal/designee to be placed on academic probation and regain privileges. A student must maintain a "C" grade and satisfactory citizenship in each class to remain on probation. A student may only petition for reinstatement once during the school year.

- Driver may assign seats as they feel necessary.

After the second warning, the school administrator will contact the student and parent for disciplinary measures upon receiving a copy of the citation from the transportation department.
- In instances that involve possible suspension, a student may be brought back to the school site for removal from the bus.

Section 14103.5 CAC governing pupil transportation states "Pupils transported in a school bus shall be under the authority of and responsible directly to the driver of the bus, and the driver shall be held responsible for the orderly conduct of the pupils while they are on the bus or being escorted across a street, highway or road. CONTINUED DISORDERLY CONDUCT OR PERSISTENT REFUSAL TO SUBMIT TO THE AUTHORITY OF THE DRIVER SHALL BE SUFFICIENT REASON FOR A PUPIL TO BE DENIED TRANSPORTATION. A bus driver shall not require any pupil to leave the bus en route between home and school or other destination.

BULLYING

No student or group of students shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, cyberbully, cause bodily injury to, or commit hate violence against any other student or school personnel under the jurisdiction of the school day or at school sponsored activities. If you, as a student, are being bullied or harassed, tell a friend, tell a teacher, tell an administrator, tell a campus supervisor, tell a parent. *TELL SOMEONE* who can help resolve the issue! See the enclosed "Discipline Matrix" for California's definition of bullying.

ELECTRONIC DEVICES

Students may possess electronic signaling devices, including but not limited to pagers, beepers and cellular/digital telephones, smart watches, provided that such devices are used in accordance with the guidelines set forth by the California Education Code, 48901.5, referenced in the "Discipline Matrix."

LTUSD, Use of devices on school grounds:

When students are assigned OCR personal devices are confiscated for the duration of the assigned time. STHS students may use cell phones before or after school, during lunch, break and passing periods as long as they do not create a disturbance or distraction. Cell phones must be off and out of sight unless specifically directed by a staff member.

STMS student cell phones must be off and out of sight unless specifically directed by a staff member.

SCHOOL ATTIRE

School attire should foster a safe and positive educational environment for our students. All students are to attend school and school-related activities dressed in a manner which is clean and appropriate for the health and safety of themselves and of others and supports the educational process.

Allowable Attire

- Students must wear clothing including both a shirt with pants or skirt, or the equivalent and shoes.
- Clothing must cover undergarments, waistbands and bra straps excluded.
- All private parts must be covered by fabric that is not see-through.
- Students' faces and ears must be visible to staff at all times. Headwear must not interfere with the line of sight to any student or staff.
- Clothing must be suitable for all scheduled school activities including physical education, science labs, wood shop, and other activities where unique hazards exist.
- Specialized courses and activities may require or allow specialized attire, such as sports uniforms or safety gear.
- Shirts must be worn to reach the top of student's pants, shorts or skirt.
- STMS: Shorts or skirts must reach the end of the student's fingertips.

Non-permissible Attire

- Attire depicting, advertising or advocating the use of alcohol, tobacco, marijuana or other controlled substances.
- Attire depicting pornography, nudity, partial nudity, sexual acts, or expletives.
- Attire, including gang identifiers, that threatens the health or safety of any other student or staff.
- Attire depicting hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation or any other protected groups.

Attire Violations:

Violations of school attire and/or grooming expectations may be handled by staff or administration.

Student must remedy the violation by one of the following solutions:

- Obtain acceptable clothing from the student's PE locker or backpack.
- Contact parent to bring acceptable clothing. The student will wait in administrator's office until parent arrives.
- STHS: Parent may contact the attendance office to obtain an off-campus pass to allow student to go home and change.

If the violation cannot be remedied, the student will remain in the office for the remainder of the school day. Students habitually violating the dress and grooming code will be subjected to further disciplinary action.

CHROMEBOOK/NETBOOK HANDLING

An important part of the student experience at LTUSD is that every student can check out a Chromebook/Netbook. To ensure that these devices are operational when needed, and they last as long as possible, it is incredibly important that they are handled properly. Below is a list of expectations. If any one of these are not followed, students can be subject to disciplinary action and fines for repair and replacement.

- Bring the device(s) charged in its carrying case to school every day.
- Only carry the device(s) around when it is closed and in the carrying case.
- Keep the device(s) in a secure location when it is not at school.
- Do not leave the device(s) unattended.
- Never loan out your device(s) to other individuals.
- Charge your device(s) battery daily.
- Do not remove any serial numbers, bar codes or other identifying labels from the device(s).
- Protect the device(s) from damage from food, liquids or other harmful materials and from extremes of heat and cold.
- Do not disassemble any part of your device(s) or attempt any repairs.
- Only use your device(s) in ways that are appropriate and educational.
- Understand that your device(s) is subject to inspection at any time without notice.

TRAFFIC AND PARKING

Students who violate parking permit regulations or engage in reckless driving are subject to disciplinary action and loss of parking privileges on school grounds. All incidences involving reckless driving will be referred to SLTPD.

VISITORS ON CAMPUS

Visitors are not allowed on campus without administrative permission and must first check-in at the office.

GROUNDINGS FOR SUSPENSION AND EXPULSION

Suspension is defined as the “removal of a pupil from ongoing instruction for adjustment purposes”. The law requires immediate suspension for specific acts as outlined in this disciplinary code. (EC 48925), (48900). Parents are expected to further define what disciplinary action will take place at home while a student is suspended. It is recommended that such action includes home service to the family such as specific chores or jobs, confinement to the home, suspension from all technology such as phone use, television and computers. Appropriate activities include school work and reading while at home for the duration of the suspension.

Expulsion is the most serious disciplinary action that a school district imposes on a student. This removes the student from school district sites for a specific period of time usually up to a year. The administrator must refer students to the district governing board for expulsion under the mandatory suspension and expulsion guidelines. The final decision for expulsion can only be made through action by the school district governing board. Students who are expelled must attend school by law and will be referred to county programs.

STUDENT ACTIVITY PENDING EXPULSION OR DURING SUSPENSION

Students shall not report to school during the period of suspension or pending expulsion, except in the case of in-school suspension, unless coming to the office on official business by prior arrangement with a school administrator. Students shall be under the supervision of a parent/guardian during school hours pending expulsion or when serving suspension days at home. (7:00 a.m. - 4:30 p.m.). Students shall not attend any school event or activity at any school campus pending expulsion or during suspension. Teachers may require students to complete any assignments and tests missed during the suspension. The determination to allow students to make up work is at the discretion of the teacher. The responsibility of obtaining and doing class work lies with the students.

EXPECTATIONS FOR STUDENT BEHAVIOR

One of the major functions of public schools is the preparation of youth for responsible citizenship. LTUSD seeks to foster a learning environment that reinforces the concept of self-discipline and the acceptance of personal responsibility. It is, therefore, appropriate to clearly articulate expected behavior as well as the consequences when expectations are not met. (EC 35291.5)

For the safety of the school community, students are expected to obey all rules and regulations, respond to adults and other students in a respectful manner, and participate positively in an environment that allows teachers to teach and students to learn. LTUSD will not tolerate any comments or gestures that denigrate others due to race, color, sexual orientation, religion, handicap or disadvantage. Pupils shall be subject to disciplinary procedures for harassing other pupils or for using insults, slurs, or language that may disrupt school activities.

Students are strongly encouraged to seek help from an adult on campus prior to a situation escalating. LTUSD actively works to maintain a safe educational environment for all students and staff. Any conduct which interferes with the instructional process will not be tolerated, and any student who causes or takes part in a disturbance will be subject to disciplinary action.

Depending on circumstances, some or all of the following interventions may be implemented by school personnel and/or parents/guardians to foster appropriate pupil behavior:

- Exclusion from participation in recognized school activities
- Participation in recommended school programs
- Parent/Teacher/Student contact and conference
- Assistance through school counselors and/or school nurse
- Administrator/Student conferences

- Student Study Team (SST) which considers special circumstances, academic needs, special placements for specific students
- Referrals to Community Health and Welfare Agencies
- Behavior Contracts
- Detentions
- On Campus Retention (OCR)
- Community Service
- Saturday School
- Suspension from Class or School
- Expulsion

STAFF DISCIPLINE IN RESPONSE TO UNACCEPTABLE BEHAVIOR

Minor Behaviors:

Strike 1- Staff will hold a one-on-one discussion with student and document.

Strike 2 - Staff will call or email parent/guardian and document.

Strike 3/Subsequent Occurrences- Staff will send student to Assistant Principal and document. Students referred to the Assistant Principal will be subject to progressive disciplinary action. See “Discipline Matrix” for description of offenses.

Major Behaviors:

Staff will send student to Assistant Principal with hall pass and document at earliest convenience.

Administrator will contact parent/guardian and document. See “Discipline Matrix” for description of offenses.

ATTENDANCE POLICY

Lake Tahoe Unified School District believes in the value of strong attendance, and attendance policies are designed to promote regular class participation. The student's job is not merely to acquire knowledge for him/herself, but to contribute to the learning community by sharing ideas, perspectives, and values with others. Poor attendance prevents the student from being an active member of the learning process.

The district will excuse a student's absence up to ten days per school year based on parent request without verification of illness from a medical professional. See types of excused absences below.

Students too ill to attend after reaching the ten day limit must submit verification of illness from a medical professional upon their return to school. Anytime a student has a doctor appointment and/or documentation requiring them to stay home from school, this documentation must be turned in immediately when the student returns to school. These absences will be recorded verified and not count toward the ten-day parent/guardian excused limit. If your child is under the regular care of a physician for a serious or chronic condition, or they are directed to stay home by a medical professional before the ten days are reached, parent/guardian should provide verification to the Attendance office at that time.

Absences for illnesses not verified after three days will be marked unexcused and subject the student and/or parents to compulsory education law guidelines. Only excused absences will entitle the student to make up any missed work.

Aside from the negative academic impact of being absent, the school loses state funding for every student absence, regardless of the reason for it. The money received from the state, known as ADA, is critical to the school as any loss directly affects the district's operating funds. Please help your student and the school by working with us to make sure your student is in class when he/she is supposed to be by trying to schedule appointments for non-class times, and encouraging your student to not miss class.

LTUSD understands that students will become ill both at home and at school. To minimize absences from class due to illness, both the Middle and the High school have nurses on site in the office. If a student becomes ill while at school, the nurse or office staff will assist and help determine the best course of action. If a student is not feeling well in the morning, they may attempt to come to school both to get credit for attendance and to get assistance from the nurse.

We request parent/guardians to release students only when necessary. Pulling students out of class is often disruptive to the learning environment. To minimize impact, we request parents/guardians to notify the Attendance Office before school starts indicating the time for the student to be released.

State law requires that every student attend school full time until the age of eighteen. When a student reaches the age of sixteen, he/she may attend continuation school.

A. Types of Absences

1. Excused: illness, medical, dental, optometric, chiropractic appointment, funeral services, quarantine, jury duty, religious purpose/holiday, court appearance, or employment conference.

Students are allowed to make up class work that is missed when the absence is excused. If a student is absent for more than three consecutive days, parent note must be accompanied by documentation of the reason for the absence. After student has missed any class period more than ten times (three or more consecutive days counts as one absence), parent note must be accompanied by documentation of the reason for the absence.

2. Unexcused: when the absence is not authorized by school or parents/guardians, as defined above in number 1, or when it exceeds the 10 excused absences.

Students may not be allowed to make up class work that is missed when the absence is unexcused. Students are considered truant and may be subject to disciplinary action such as: detention, community service, OCR and Saturday School.

3. School-Related: when reason for absence is due to a school sponsored event, or is otherwise pre-approved by an administrator.

Students are allowed to make up class work that is missed when the absence is school-related.

B. Habitual Truancy

A student can be considered habitually truant if he/she has 3 or more unexcused absences in any one class period or complete school day. Interventions that we may use to address attendance problems include: (1) counseling (2) Saturday School (3) Lunch-time detention (4) After hours community service (5) peer assistance/tutoring (6) Administrative/Police home visit (7) Truancy Contract meetings (8) Student Attendance Review Board (SARB). For students who are 18 years and older, they may be dropped permanently from school.

C. Planned Absences

If a family knows prior to an absence that a student will be out for less than 5 days, a note should be brought to the attendance office prior to the absence. This "planned absence" note will allow us to notify teachers and facilitate make-up work for the student. If a family knows prior to an absence that a student will be out for 5 or more days, the parent(s) and student will need to meet with the Independent Study teacher at their school at least five (5) days prior to the absence to set up an Independent Study Agreement.

ATTENDANCE PROCEDURES

After any absence, the student must bring to the attendance office a note from home legibly written in ink or a parent must call the attendance office to explain the reasons for absence, the date(s) or periods missed, student name, grade level and a phone number where we can reach a parent. A parent must properly sign the note. Notes should be presented to the attendance office at least 15 minutes before the start of school so that the student may be in the classroom before the tardy bell rings, or upon return to school if after school has started. The note will be used to determine if the absence can be excused.

Students who return from an absence without a proper notification from parent/guardian will be marked with an Unexcused absence. The student will have 3 days to bring a proper note from home to have the absence changed Excused. **If after 10 school days this absence has not been properly accounted for, it will remain an unexcused absence, the student may not be able to get credit for make up work, and disciplinary action can follow.**

TARDINESS (STHS)

Students must have entered their respective classroom when the bell has finished ringing. If student is tardy, they must go to a security station to get a tardy slip, before being admitted to class. If student has a staff-authorized tardy, they must present a pass, signed with date and time. The consequence for a tardy or being out of class without permission is a 20-minute detention:

- Each detention must be completed within 3 school days before school, during lunch or after school.
- Detentions not completed within 3 school days will result in escorting students to detention.

Each student will be allowed a total of 3 “freebie” tardy slips per semester without penalty. Freebies will not accumulate from one semester to the next. A parent cannot excuse a tardy.

CHECKING OUT DURING CLASS TIME

Both STHS and STMS maintain a closed campus policy during class time. Leaving campus during class time without first clearing through the Attendance Office will be treated as a truant. Students needing to leave campus with excused period absence(s) are to obtain an off-campus pass through the Attendance Office prior to leaving. Except for students with excused periods, NO student may leave campus without a pass, for any reason.

CAMPUS CLOSURES

During lunch at STHS, campus is open for students in grades 10-12. During this time, students in grades 10-12 may leave campus without checking out. During lunch, campus is closed for freshmen students. During break, STHS students are to remain on the main areas of campus. Parking lots and other areas away from the main campus are closed during break.

P.E. MEDICAL EXCUSE

A doctor's note is to be presented to the nurse when a student needs to be excused for more than 3 days. The note is placed on file in the Nurse's Office and the nurse will notify the P.E. teacher. Please note that even excused absences require makeup work in P.E. to earn credit and/or avoid a lowered grade due to missed class.
