

A Message From STMS Athletics

Below is our current projected schedule for the Tah-Neva league along with some school based intramural options. It is our hope to keep our student athletes engaged as we work through safety protocols and practice restrictions. As new developments occur, we will update our website and send announcements in our weekly newsletter.

All new student athletes need a physical, and ALL athletes must sign up for sports through www.registermyathlete.com You will find more information on STMS Athletics on our school's website under "For Students."
